

Ordering Demo Units

1. Demo Units (frame + fabric skins) are available at special prices (50% off the retail price) in order to present Xpressions to your customers and test the interest in this new solution.
2. The frame should be directly ordered at Duo and the graphics at Optima. However, to simplify the launch of Xpressions in Europe, both the frame and the graphics can be ordered at Duo Display. Send an e-mail to info@duodisplay.com to get a quotation.
3. Available demo units:
